Clearance Sale of Surplus Marquees and peripherals

With over 45,000sq.ft of marquees in stock we are rationalising our range and offering a large amount of kit for sale: All the products are very versatile, in good order and we can split / mix and match or customise marquees to your requirement. These are just some examples of the range and prices.

Walu (Walter) -now known as Losberger.

25m x 12m clearspan. 5m bays, 2.4m eaves height.

Comes with Fully floating steel framed pine flooring system, lightly pleated white lining, selection of picture windows, Georgian windows and plain panel windows. Regulation 'crash bar' fire doors available if required.

← **A complete venue for £24,750**

For the same price we could supply a 9m x 30m unit also fully floored and lined if that size was preferred.

Balloons/Furniture not included but a lot of Marquee/floor spares are.

Flooring construction of 12m

Walu (Walter) / Losberger. 9m clearspan, 5m bays, 2.4m eaves height. (Shown below)

We have **up to 80m length** of this unit available which can be split into any length required in multiples of 5m. A range of accessories is also available such as Emergency Crash doors, 'Hex' ends to create a lovely hip gable, & linings. ↓

9m clearspan Walu

Tectonics Clearspan Units. 3m bays. 2.4m eaves.

9m x 33m and 12m x 39m available. Mix of Georgian and plain walls. Spare set of gables supplied with each unit to make 2 smaller marquees. Very versatile combination of marquees. As used at the Sark Folk Festival and other large events. Both units also have some spare metalwork / second gable set.

↓ Optional Lining available for both units

12m x 39m (33m shown) £20,000
Lining for 25m £1,000

9m x 33m £11,000
Lining for 25m £1,000

Marquee / interlock board flooring. Known as Weblock or Grumpy Joe's Flooring. Approx 200 sq.m. available complete with aluminium edging. Most in good condition—a few sections have minor damage to edges, commensurate with use. New cost = £6,500

To be sold as one Lot for £3,950

Luxury Mobile Toilet Trailers: Both are 'recirculating' Toilet Trailers (no mains water or drainage required, only a 13amp electric supply). **UNIT 1** (pictured) = Contains 2 x Female cubicles, 1 male cubicle and urinals. Each section has wash basins, vanity mirrors etc. and the unit is in excellent condition as shown. **UNIT 2** is smaller and has 2 single male or female (uni-sex) cubicles, c/w with washbasin and vanity mirrors etc.
Unit 1 (2+1 Trailer) = £6,750 Unit 2 (1+1 Trailer) = £4,750 or BOTH for £10,500

We also have a number of **SINGLE CUBICLE RECIRCULATING TOILET UNITS.**

Basic 'Site' models from £350

Model pictured = £750. (As new—Premium Model with foot pumps)

All the marquees are very versatile and in very good condition. The massive amount of stock makes it difficult to advertise a 'single' item but **we are happy to discuss what size and length of marquee and accessories you need and negotiate a fair price for the kit.** Almost all the marquees have custom built 'stillage' (galvanised frames) for transport and storage crates available (optional); a large amount of spare metalwork / frames / covers & accessories and options are also available such as Glazed 'push-bar' Fire Doors, Hex-End [Hip] Gables, Georgian and Full Picture windows, etc. See our website for examples of the products in use. www.eventgroup.gg

Some of the kit can be available immediately—this is a rationalisation of excess stock so we are able to be flexible on delivery. We need the space for exciting new ranges! *The clearance list includes:*

Walu Clearspan Marquees, 12m x 50m; 9m x 80m both 2.4m eves (All can be split to smaller units)

Walu System Floor—steel subfloor & spruce boarding, approx. **300 sq.m.** Only available with a Marquee.

Tectonics clearspan Marquees 12m x 39m; 9m x 33m both 2.4m eves (All can be split to smaller units)

Wooden and uPVC Emergency Exit door systems (compatible with both Walu & Tectonics marquees)

Weblock Flooring— interlocking wooden floor system, approx. **200 sq.m.**

Plus stocks of **LINING** (various styles and colours including swags and gables), **PELMETS, WOOL SERGE BLACKOUT, STARCLOTHS AND DOORS** for all the marquee ranges or as drape / décor in any building, or structure or stage use. Fully Fire Regs Certified.

Most items negotiable and open to reasonable offers. Talk to us!
